Application Questions

These questions are provided for your further study and application of today's message. It is recommended that you take time this week to write out your response to each of these questions. This will help to drive home the point of today's message and will help you apply the principles to your life situation.

1. Read the description of a righteous person in Psalm 37:26. How well do you think this describes you?

How generous are you in the following areas...

- your time?

- your possessions?

- your money?

2. In what specific situations can you testify to God blessing you because of a generous act you performed?

3. Who is in need in your sphere of influence? What specifically can you do to be generous to them?

4. Take a quick and informal inventory of your material possessions and wealth. How did you come to possess these things? Identify the "God-connection?" In other words, how did God enable you to obtain these things (see Deut.8:17-18)?

5. Plan your "giving spree." How, what, and when will you give to others a portion of what God has given you?
