Application Questions

These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions will help to drive home the point of today's message. It is also helpful to discuss your answers with others. This can take place with friends, your family, accountability partners, or ministry groups within the church.

1. Give an example of a time when you went to a church service and you were profoundly impacted by something someone said or did that took place either before or after the scheduled church event – that is, something other than a sermon or a worship song.

Describe an episode of spiritual growth in your life that was the result of a discussion with a group of Christians.

2. What is one of the most creative things a person has done to help you grow up spiritually?

3. How would you describe your church attendance?

How would you rate your impact on others before and after the service?

What might you do prior to coming to church in order to be more prepared to informally encourage or assist in someone's walk with Christ?

4. What are some of the reasons you have used for skipping church meetings and fellowship opportunities that you would now consider unacceptable?
5. Identify and list at least one event on your weekly calendar that is less important than mutual Christian edification. Describe how you plan to replace that event with an encouraging time of interacting with other Christians.
