Application Questions

These questions are provided for your further study and application of today's message. Thoughtfully writing out the answers to these questions will help to drive home the point of today's message. It is also helpful to discuss your answers with others. This can take place with friends, your family, accountability partners, or ministry groups within the church.

1. Read Matthew 16:18; 1 Timothy 3:15 and Ephesians 3:20-21. What are some biblical motives for wanting your church to flourish?

How might you keep the ultimate purpose of this project in view as the months proceed?

2. What do you think makes "commitment to a church" an unsettling proposition for a growing number of Christians these days?

3. If you are planning on participating, what will make the difference for you (at this particular point in your life) between a commitment that involves a measure of faith and one that does not?

How will you celebrate and memorialize your involvement in this project?
