Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others.

1. How do you feel when after you have expressed yourself with complete truth, honesty and transparency people refuse to believe what you have said?

Read **John 19:30** and **Hebrews 10:10, 17**. As a Christian, do you ever doubt that Christ's sacrifice has completely taken your sins away? What do you suppose Christ thinks of your doubts?

2. Why do you think so many people are inclined to search for "new revelation" instead of finding God's direction and answers in the revelation already provided by the New Covenant Scriptures?

3. Read **2 Peter 1:3-4**. What are some of the subtle ways we Christians show our tendency to demonstrate a lack of confidence in the sufficiency of God's word?

4. What biblical "reforms" need to take place in your life?
