Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others.

1. When you consider all the things that are "not right" about this present world, what three big things bother you most?

Read **Philippians 3:20-21**. How will those things be different when Christ brings everything "under his control"?

2. What are some of the silly caricatures regarding "heaven" that often steal away the tangible expectations of the New Jerusalem that God would want us to have?

3. Read **Revelation 21:1-4**. Ponder for a few moments a bustling city where there is not even a hint of sin, crime, violence, fear, anxiety or pain. List a few implications which you have never before considered that are associated with living in a place like that!

4. Read **Revelation 11:15-16**. What are some of the things you look forward to in a perfect place where Christ's leadership is always followed?

5. List the names of three people who need to "get right with God" so that they can live in God's perfect city. Take a minute to pray through that list and ask God for an opportunity to talk with them about this important topic.
