Application Questions

These questions are provided for your further study and application of today's sermon. Thoughtfully writing out the answers to these questions will help to drive home the point of today's study. It is also helpful when you are able to discuss your answers with others.

1. What were some of your initial misconceptions about who Christ is and what the gospel is all about?

How did God correct your thinking and dispel those misconceptions?

2. Read **2 Peter 2:1-3**. What are some of the popular "false Christs" that are peddled by false teachers today? How do they appeal to their listeners?

3. What is it about human nature that makes people so inclined to believe in and pursue a Jesus that is not the biblical Jesus?

How would you know if you were pursuing and worshipping a Christ of your own imagination?

4. In light of so many misrepresentations of Christ, what counsel would you give someone who is "looking into Christianity"? Other than reading the Bible, what direction would you give on how one can avoid the lies?
