"Jesus Christ entered into the history of our world. Christianity, therefore, has historical basis. The backbone of history is chronology. Whereas history is a systematic account of events in relation to a nation, institution, science, or art; chronology is a science of time. It seeks to establish and arrange the dates of past events in their proper sequence. Thus chronology serves as a necessary framework upon which the events of history must be fitted. In this book (the author) attempts to establish certain fixed
